General tour information:

Tours in am, noon, and pm (1 1/2 hours) are \$6 plus GST per student AND per parent. Spring tours (4 hrs) are \$ 12.00 plus GST. Dyment's Farm does not charge for teachers and educational assistants. Please bring a cheque with you, made out to Dyment's Pumpkin Patch.

Our tours run rain or shine. As long as the children are appropriately dressed, the weather does not significantly affect our program.

Snacks are included for all in the spring, but due to time constraints, only until October 15th in the fall. After this date, schools may bring their own snack and we will fit a time into the program.

We suggest that you allow a little extra time so that the full time allotted to your visit, is available for our tour. :
